

Trafic interne

The diagram consists of a large black circle representing a network boundary. Three horizontal orange arrows point from right to left. The top arrow is entirely within the circle and is labeled 'Trafic interne'. The middle arrow starts inside the circle on the right and ends outside on the left, labeled 'Trafic d'échange'. The bottom arrow starts outside the circle on the right and ends outside on the left, labeled 'Trafic de transit'.

Trafic d'échange

Trafic de transit
